Bahrain Photobooth is a premium photo booth rental company. Centrally located in the heart of Al Seef , Manama - Bahrain. , We specialize in weddings, Baby Shower, Bridal Shower , Holiday parties, Schools, Fundraisers, Sports Events, Company Get together , Private and Corporate events.

With us, you will get a unique, fun, and unforgettable experience. Your guests will look amazing with our state of the art equipment's , photo templates, and eye-popping backdrops, Photo accessories were they can take the memories with them for life time . We offer many types of photo booth experiences to create a memorable event. Bahrain Photobooth is a product line offers consumers fun, interaction, and lasting memories. More than just a Photo booth, Bahrain Photobooth are easy to use and completely customizable.

All Bahrain Photobooth activations include full branding, delivery and set-up, a BPB representative to facilitate during the event, unlimited prints, and a complete analytics report including all event photos. BPB Machine is a self-contained, free-standing unit that takes Photos , short videos, Boomerang videos , GIF's with an instant mail out, and with its unique software, the film can be simultaneously uploaded to the customer's email and social media platforms. The user interface carries the venue's logo, branding and a special message of Event. The printed photo is framed by the brand and message, which also appears on the photo that is emailed.

The Bahrain Photobooth Mission

Bahrain Photobooth was born out of the simple philosophy that interaction with brands and with each other should be fun. Not just restraining to corporate profile or companies but BPB make sure to give immense entertainment and Quality memories with on site high resolution photos to direct social media sharing with a finger tip to the royal Bahrain events. Be it a Wedding , Bridal Shower , Birthday , Engagement, Baptism ,Baby shower , Anniversary or any events were your guests smile makes you count. We make it our mission to find that fun in every new technology, and work to harness that energy to bring brands and people together. We are deeply committed to quality, creativity, and continued innovation.
